MEMORANDUM FOR: Acting Director of Training
SUBJECT : National Security Lecture Series

1. The following is a confirmation of my telephone conversation with you on 16 September 1952:

At his daily staff meeting with the Deputy Directors on 16 September, the Director noted the item in his Log concerning the Office of Training proposal to establish a "National Security Lecture Series" and stated that we did not have sufficient personnel to allow attendance at such lectures, adding that our people could spend their time more profitably "on the job." After some discussion, wherein Mr. Becker noted that he had for study the proposal of the Office of Training on this matter and would furnish his comments to the Director, General Smith asked me to insure that this plan was brought to his attention for consideration.

2. Accordingly, it is my understanding that you will insure that the Director has approved of this plan prior to making arrangements for its implementation.
